

Dragonflies

Year 3

Dragonflies, Dragonflies we know who we are... Dragonflies, Dragonflies reach for the stars!

Dragonfly family 2019

“My favourite thing about Year 3 is when we get to have a sensible photo and then a silly photo afterwards. It makes us feel happy and have a fun at the same time.” Behzad

Because you always need a silly photo...

#making memories

Travelling inside Non-Fiction...

Today we did the impossible. Today we took our learning to new realms of possibilities. Today we became literary heroes and used magic to travel inside non-fiction books based around Dragonflies to immerse ourselves in the text. It wasn't without risk but we were up to the challenge lead by our dragonfly chief!

“I loved it when we travelled inside a Non-Fiction book all about Dragonflies. It made us use our imagination and we got to use actual magic to travel inside a real life book!” Lola

Shakespeare pops in...

*O Romeo, Romeo, wherefore art thou
Romeo? Shall i compare thee to a
summers day? Those are the iconic
words we heard today as Shakespeare
decided to use our classroom to write
his next big play.*

*Even though some of us did think
Shakespeare did have a certain
resemblance to our very own Miss
Perkins... we embraced the day and
got to work learning all there was to
know about Shakespeare from the
very man himself!*

“My favourite memory of Year 3 was
when Miss Perkins was “ill” for the
day and Shakespeare took her place.”

Mrs Baker

Comic Book Day!

Today has been EPIC! Today we were actual real life super heroes! Following on our literary hero journey we are now living and breathing Comic Book life! We are learning how to write our very own comics and what better way to do that then to create our very own superheros! Prepare to be amazed..! To top it all off we ended the day with our 2nd marble treat creating superhero biscuits and watching a superhero film!

#MissPerkinsfavouritedayever!

#Besthomeworkever!

#Always superheroes!

“My favourite memory of Year 3 was when it was Superhero Day because we got to dress up and we got to make superhero biscuits. Best of all when we finished we got to eat them!” Jess P

Christmas Jumper Day 2019

“My favourite memory of Year 3 was when Barry and Buddy the naughty elves came to cause mischief and Forky joined them. It was really funny.” Tommy

“My favourite memory of Year 3 is Christmas Jumper Day because we all wore cute jumpers and got to celebrate Christmas as a family.” Connor

When Buddy and Barry came...

Upon the first School day in December Dragonflies found themselves with an extra Dragonfly sent directly from the North Pole! Buddy joined us and lets just say he lead a few people astray... mostly Forky! Just when Dragonflies didn't think Buddy could get much worse... in came Barry his even naughtier brother! Enjoy their antics!

Mrs Bakers Birthday Ice Cream Marble Treat

You may or may not have noticed,
That within this card we have worked our hardest,
To include all the wonderful things you have helped teach,
Ensuring we are always and forever trying to reach,
Our truest potential that will make you proud,
But Mrs Baker it's our turn to think aloud.

So sit on a chair as you read this card,
Because we know your knees go weak when we have worked hard.

With a heart as warm as the glistening sun,
With patience and enthusiasm that goes on and on.
Each day you open your heart to us like a book,
Never doubting us for a second even when we wanted to try cook!

From the first day we met you we knew this year would be great,
This we know for sure it was never up for debate.

One by one you look after us all,
Even Miss Perkins and let's face she's the biggest kid of us all

Your smile is always warm and glimmering like gold,
It never falters even when we haven't done as we are told!

So Mrs Baker this poems for you,
It's our small way of saying that we love you.

Mrs Baker Mrs Baker,
Everyone knows who you are,
Mrs Baker Mrs Baker,
Always encouraging us to reach for the stars

#HappyBirthdayMrsB

“My favourite memory of Year 3 was Mrs Bakers Birthday Surprise because we got to eat ice cream in school and we made her a poem.”

Medara
