

# Pyjama Party!

For our marble treat in the Autumn term, the children in Frogs class voted for a pyjama party!

The children worked really hard to get enough marbles for their party and they had a brilliant time.

"I liked seeing everyone's different pyjamas!"

"My favourite part was playing all the different games with my friends"

"I liked bringing my teddy in from home the most"

We all got changed into our pyjamas after lunchtime, even the teachers!

We played musical statues and sleeping lions as well as dancing around with our teddies!

We then had some party food picnic on the carpet!

# Tudor House Trip

"I liked walking around Southampton with Pirate Pete, it was so cold though!"

On our Tudor House trip, we had a workshop where we looked at some artefacts, we even got to smell gunpowder!

We were told lots of facts about pirates, some of us got to dress up as famous pirates including Blackbeard.

We then went for an adventure around the Walls of Southampton where Pirate Pete told us all about how pirates used to transport goods around Southampton.

We also got to explore the museum on our trip too, we saw some really interesting artefacts and we learnt lots of new facts!

"I loved dressing up as a pirate, I even got to hold a sword made of wood!"

"My favourite part was the show we watched in the museum, it was quite scary!"

# Pirate Day!

Frogs Class arrived at school dressed as pirates and were greeted by their Captains.

We started off our day by dancing along with some pirates on Just Dance before going on a treasure hunt around the school! We had lots of clues to solve which led us to the next one and eventually the treasure, which turned out to be a book all about pirates!

In the afternoon we played 'The Key Game', 'Pin the Patch' and used paint to make ourselves look just like pirates.

"My favourite part was the treasure hunt, we even got to go in the staff room to look for clues!"

"I had so much fun when we did the Just Dance, we sang some songs as well".
